

## Heavy-Duty Chain Breaker & Bar Nose Rivet Driver

Another heavy-weight champion of service tools from Oregon®. This multi-purpose tool breaks all chain pitches, including 3/4", and can also be used to drive out bar nose rivets, including the nose rivets on big 3/4" pitch harvester bars. Heavy-duty materials and top-quality components are used throughout, and replacement parts are available separately to keep this ultimate shop tool in service for a long time. Punches for all chain pitches are included. Anvil for 3/4" pitch chain must be purchased separately.
